# **Tutorial #1**

### Tutorial #1 Objective:

Once you have completed this tutorial you will know how to:

- Create a new return
- Complete forms: W-2, W-2G, 1040 and 8879

### **Enter Client Data:**

The first step to creating a tax return is to enter the client's information. The following instructions will walk you through entering the client's information into the Tax program.

1. In our Main Menu click on Start New 2017 Tax Return and enter SSN number.

Welcome to demo office 1	
Message Center 💿 Rejected Clients 💿 TaxesToGo Clients 💿	
Start New 2017 Tax Return Create a brand new tax return for a client.	Select

		-	**	•	
Con	firm Soci	al Secu	rity Nur	nber	
		-		-	1001
	k all fields in red) bei n.				Start Ret

After entering the **Social Security Number** it will prompt you to select a **filing status**. For this tutorial you will choose **Single** and click **Continue**.

○ Single	Need help determining your filing status?
O Married Filing Joint	
O Married Filing Separate	FILING STATUS WIZARD
○ Head of Household	
O Qualifying Widow(er) with Dependent Children	
O Nonresident Alien	

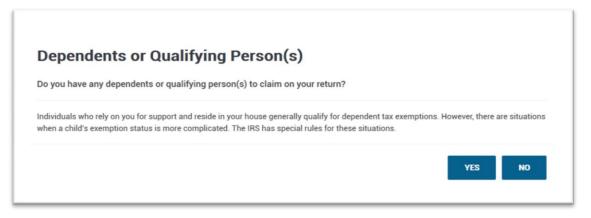

2. You will now be viewing the **Personal Information** entry screen. Enter the Taxpayers information here using the details provided to you on <u>page 2</u>.

**Navigation Tip** - *Tab between data entry fields and avoid using the mouse, this will improve your speed.* When entering the zip code data, the program will auto populate city and state.

**Note** - You must input two phone #'s for taxpayers requesting a bank product. The email address is used if the client wants a copy of his or her tax return emailed. In a real tax return you would enter your customer's email address.

3. Charles has no Dependents so we are going to click NO to continue.

4. You should now be in the Federal Section, Income, screen of the return. You can identify what section of the return you are in by referencing the red line in the "Navigation Bar" on the left labeled Federal Section and Income. The arrows in the image below show the different options you have for adding tax forms and data.

5. Navigate to form W-2 using one of the three navigation options presented in the image above. If you are an experienced preparer you will likely be using the Enter the Form Number option as your primary navigation tool. If you are less experienced you may want to use the Guide Me option until you have more experience. Please reference page 3 for source documents. As an exercise you should try using all the options for finding forms and data entry, this will help you determine your preferred method for navigation.

Enter the W-2 information from page 3. Below is how the screen appears after completing a W-2. In a situation where you have to enter multiple W-2's, click on the + Add a W-2 Wage Statement link below

(or above) the completed W-2. When finished, click on Continue.
